

*Team Antarang wishes you
a Happy New Year 2017*

DECEMBER NEWSLETTER

The December edition of the Antarang newsletter looks back on some of the milestones we achieved in 2016. Though we are very proud of how far we have come, our work in the different communities has made us acutely aware of how much still needs to be done. And as we take our first steps into the new year 2017, we look forward to receiving your continued love and support.

"The woods are lovely, dark, and deep,
But I have promises to keep,
And miles to go before I sleep,
And miles to go before I sleep."

– Robert Frost

Highlight of the month: The Antarang Sports Day 2016!

The Antarang Foundation held its first Sports Day on December 3, 2016. Conceived as an alumni engagement forum to build a stronger rapport and sense of belonging amongst Antarang graduates, the event saw over 200 CareeReady alumni from all locations and batches converge at a dusty ground in Parel.

The event was organised and managed by a team of 6 alumni under the active supervision of the Antarang alumni engagement team. Their professional approach and enthusiasm ensured that the event was a roaring success!

We were overjoyed by the participation and desire to win exhibited by all participants. And equally proud of the camaraderie amidst the competition. Students participated in a variety of individual and team events, over a period of five hours. Pride of being part of the Antarang

community was evident in the smiling faces around us. A big thank you to each and everyone from the bottom of our hearts. May the odds be ever in your favour!

Star of the month: Sairaj Salvi

Sairaj Salvi, an 18 year old Antarang graduate, shares his success:

"When interviewing for my current internship with Abaca, a high end furniture store located in Mahalaxmi, I was interviewed directly by the director of Abaca. The most valuable thing that I learnt from Antarang was how to present myself. As I used the grooming and other skills I learnt from Antarang in terms of how to conduct myself and talk in a manner that is good for the retail sector I was given a raise just 2 weeks into the internship once I performed and showed them my value as an employee. I have been at this internship for 1 year now and am very happy with my work timings as well as work environment."

Get involved in Antarang's story
