

Lead Student Outcomes

Antarang Foundation is looking for an exceptional leader who can identify and harness external and internal eco systems towards enabling thousands of youth and their families lead economically and socially productive lives through a robust and differentiated employability model. The Lead Student Outcome will be responsible for all student outcomes from the time of graduation all the way to alumni engagement.

The Lead – Student Outcome will deliver this by focusing simultaneously on the internal and the external - by nurturing a committed and energetic team and leading them towards achieving set goals, and fostering a team culture that encourages learning, energy and a focus on result oriented impactful work. And by developing strong external networks to enable each one of our graduates to be connected to careers of their choice, to mentors who would advocate for them in the immediate and long terms and for the sourcing of long term career development opportunities for our young adults.

This position would report in to the Director-Program Practice and will have the following horizontals reporting in to her/him: Placements, Mentor Program, Alumni Engagement.

Specific Responsibilities would be to:

1. Live and Lead Antarang's Vision and Culture.
2. Foster a committed, impact led eco system of communities, students, parents, donors, supporters, partners, volunteers and staff.
3. Advocate for Antarang's vision of youth development internally and externally.
4. Grow and develop the pool of employment partners for Antarang graduates.
5. Develop and maintain strong corporate and donor relationships to enable placements, mentorship and continued learning opportunities for all Antarang graduates.
6. Ensure the timely and effective monitoring, evaluation and reporting of program and organisational outcomes
7. Co - create and manage the implementation of student fulfilment strategy and plans
8. Along with the Founder Director, communicate effectively for funding opportunities and manage and maintain corporate relationships.

9. Build a competent and committed executive team that is aligned to Antarang's vision of every young person in the country engaged in a passionate, productive, positive career of choice.

10. Be able to spot and build on emerging opportunities for youth. 11. Be digitally savvy and enable scale through the right combination of human resources, technological capability and strategic vision.

The Lead – Student Outcome is a commercially savvy strategist with the ability to influence and persuade across social, professional and industry hierarchies. A high level of impact orientation is very desirable.

1. Graduate/ Post Graduate preferably with 5-7 years of work experience preferably in the social sector
2. Excellent communication: Fluency in English and Hindi is mandatory.
3. Passionate about working in and working for low income communities.
4. Good analytical and conflict resolution skills and a collaborative nature.
5. Flexibility to work on weekends.

If you are excited about the potential of youth in our country and want to be able to contribute to the career trajectories of less privileged youth while pursuing your education or careers, write in to careers@antarangfoundation.org with your recent bio data.
